Dear Parents and Guardians,

I hope everyone has had a wonderful summer!

Current families that registered in the Spring have already completed their EdChoice paperwork and paid their registration fee. If you received notice that we need a current Proof of Address, please be sure to bring it with you.

If you did not pre-register in the Spring, you must bring your \$50 non-refundable registration fee, EdChoice application and supporting documents. This will be in addition to what you have received in this packet.

We are inviting families to complete the GradeLink online portion of the registration at the school. If you would like to complete your online registration in the office, please bring the GradeLink family information sheet when you come in for registration.

Your student will not be considered registered and able to attend on the first day until we have the following:

1. EdChoice application submitted and approved **OR** you have a tuition payment plan in place.
2. \$50 non-refundable registration fee (per family - cash or money order)
3. Completed Emergency Medical Form – one for each student
4. Signed Dress Code policy – one per family
5. Completed the online registration process in GradeLink.

All paperwork you have received in this packet and will receive at registration must be completed on the registration days.

The office will be open Tuesday, August 9, Wednesday, August 10 and Thursday, August 11 from 9:00 – 6:00pm.

ALL families are responsible to sign up for REMIND. This is the first way we communicate with our families. Instructions will be available during the registration days.

Your patience and understanding will be greatly appreciated as we begin this new school year. Our priority is to be sure your student(s) are safe, healthy, and receiving the best education possible.

God bless,

Mr. John Tincher
Principal

*****Please plan on attending one of the days above – it is imperative that registration is complete*****

Love God. Love others. That's it!
